

Affinity Diagram

Time Management

Convert readings to flashcards automatically

Integrate with online textbooks

Quick import from FOFs or notes

Set study time goals

One-click review sessions

Audio guides for each chapter

Memory & Learning

Spaced repetition algorithm

AI-generated quizzes from flashcards

Adaptive learning (adjusts from on performance)

Adapts between performance

Highlight weak topics automatically

Visual memory aids (images-colored cards)

Technology Integration

AI summarization or long readings

Text-to-speech and voice-to-flashcard options

Cloud sync between phone and laptop

Offline study mode

Offline study mode

Integration with Google Docs/Notion

Motivation & Engagement

Streak tracking and leaderboard

Study stats dashboard

Daily stats dashboard

Daily reminders and notifications

Gamified badges

Feedback & Improvement

In-app surveys

Peer deck sharing and ratings

User feedback collection
